Diamond DL Dump Body

The Diamond line is the flagship of the Beau-Roc family of premium dump bodies. The **DL dump** offers the ultimate solution for weight-sensitive, versatile work. It utilizes the characteristic folded side profile to guard against warping while still allowing for customer branding decals.

The **DL** is well suited for a wide range of high-volume materials hauling of sand, gravel, asphalt and dirt.

Since 1985, Beau-Roc has constantly focused on improving its hauling solutions with aerodynamics, quality materials and integrated engineering.

As the leading regional distributor of Beau-Roc bodies, Triad Truck Equipment is ready to assist you with the right truck for the job.
